INDIANA UTILITY
REGULATORY COMMISSION

CAUSE NO. 42822

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On August 2, 2005, the Office of Utility Consumer Counselor ("OUCC") filed its *Public's Motion for Extension of Time to Prefile Its Testimony* ("Motion.") In its Motion, the OUCC stated that it was due to file its testimony and exhibits by August 2, 2005. However, due to on-going discussions that might ultimately impact the content and/or necessity of filing, the OUCC wished additional time in which to file its testimony and exhibits. Therefore, the OUCC requested that it be granted an extension to August 8, 2005 to file its testimony and exhibits, and that Petitioner be granted until August 22, 2005 to file any rebuttal testimony and exhibits. Further, the OUCC indicated that the Petitioner had agreed that any discovery served on Petitioner by August 23, 2005 would be answered on or before August 29, 2005, the day before the hearing.

The Presiding Officer, being duly advised in the premises, hereby finds as follows:

The OUCC's Motion is GRANTED. The OUCC shall file the testimony and exhibits constituting its case-in-chief on or before August 8, 2005. Petitioner shall file the testimony and exhibits constituting its rebuttal case on or before August 22, 2005. Any discovery served on Petitioner by August 23, 2005 shall be answered on or before August 29, 2005.

IT IS SO ORDERED.
